

English Ministry: February and March were amazing. God blessed each ministry with many visitors and new opportunities to testify of the Gospel. I have had the joy of counseling a young couple who want to follow the teachings of the Bible. They have both recently professed Jesus as their Savior and have followed the Lord in believer's baptism. The husband was baptized early in January, and the wife was baptized the second week in March. Another young man was also baptized on

that day upon his profession of faith in Jesus (photo above). Thank you for praying for these precious souls as they grow in Christ. I had the joy of holding a baby dedication for a couple from Ukraine (photo right) who have been attending our services during their time in Iceland. They are praying about moving to Poland. Thank you for praying for us as we strive to minister to these and others from many different places in the world. Vicki and I have been serving in Iceland since August of 1999, twenty-seven years. The photo on the left, with

Vicki and me in the middle, was taken on the Sunday before we left Iceland to report to some of our supporting churches. This planned absence is also intended to allow William and Phyllis to practice running things as they are set to become lead missionaries in January 2027. The Sears family that came alongside us three years ago has been a blessing and a tremendous help in the work, too. William, Phyllis, and the Sears family are becoming quite a team as they learn to serve

the Lord together in our church plant work. On March 8th (photo below), we threw a going-away party to promote attendance and round up several who had not been to church in quite some time. I am thankful for these opportunities to plant God's Word in the hearts and minds of the youth in Iceland. The adult crowd who also attend during the Icelandic services has been growing, and it is very encouraging to see some spiritual hunger in them as well. The adult Icelandic-speaking group is our smallest of the six weekly ministry outreach services at the church.

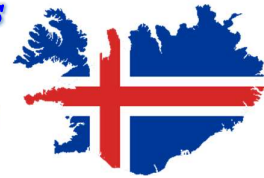

Reporting to supporting churches: I had the joy of preaching at a mission conference in Manteo, NC, with pastor Baxley. Their church met their mission giving goal, and the Lord did something special for hearts during that conference. Since March 10th, we have been in meetings each Sunday and Wednesday. I am grateful that our supporting churches have given us this opportunity to come and speak on missions. We had the joy of seeing souls come forward and trust Christ as savior in NJ, with Pastor Knight at Crossroads Baptist Church. I did not give an invitation, but the altar was filled with precious souls seeking the Lord. It is always wonderful when that happens. Every church has been such a blessing. I am so thankful for our supporting churches. Many of the churches we are visiting have new pastors, too. It has been a blessing to meet them. As we visit churches and minister, our prayer is to stir hearts for the cause of Christ, sending the Gospel to the entire world.

Protection traveling: We visited our daughter's house in High Point, NC, in between meetings. I had purchased a swing for our grandson's 1st birthday and took Toby out to swing in the yard. As we were swinging in the front yard, two cars had a shootout 50 feet from us. I grabbed Toby and ran for cover. Thank you for praying for us as we travel in the States.

Summer Camp: June 22-27. Vicki and I are doing a lot of planning as we travel, and we will be busy with preparations upon our return next month. Thank you for praying about sponsoring a child. Sponsorship is \$200 per child. We will house 60 campers and workers for that week of camp. We also need to do some projects in the weeks leading up to camp. Thank you for praying about sending a special offering to support our summer outreach and projects.

I sent an email to all of our supporting churches in December to inform them that we will be doing two months of reporting starting March 10th. If you did not receive our email, please email me at pvwiceland@gmail.com with your name, church name, and email address. Over the years, contact email addresses for our churches have changed frequently. I am working hard during this reporting period to update all of our contact information. I encourage you to watch a video on YouTube <https://youtu.be/Z1093FKCKcE> called: **FBC Iceland Missionary History: Base closing 2006 to 2024**.
