The Weimer Family
Reaching the World through Iceland

Iceland: William and Phyllis have done a great job learning how to lead the ministries in Iceland without us being present in the country. Nathan and Megumi Sears, working together with William and Phyllis, have proven to be quite a team! As I look to focus more on translation work full-time and to work alongside Vicki to obtain a Christian school license, it is a blessing to see the work being carried forward and growing under others' leadership. Our dream is that the work we gave our lives to establish will live

long after we go to heaven. Just last month, William led two adults to faith in Christ and baptized them. He is discipling a man (Photo: Top left) who came to faith and wants to grow in grace and knowledge of the Lord. It does my heart good to see a younger generation rising to lead! Bottom right photo is of some of our bus kids

playing in Sunday school. Those serving in our absence are doing a wonderful job keeping the ministry alive! The photo on the left is of some of those faithfully serving in our absence. We will be saying goodbye to Bjartmey, who married a US

Navy pilot and is moving to the States. She will be missed. She is in the far left in the photo. In the photo are fellow missionaries, the Sears family, and two of our faithful members of FBK. **Summer Camp:** As we return to Iceland, we have teams coming from our home church, Kerwin Baptist Church. They are coming to assist us with our summer camp and summer outreach projects. Our summer camp is for children who attend our Sunday school program. Thank you for praying for us, as there is much work to be done to prepare for camp and for the teams coming to help. Upon arrival in Iceland, we will be preparing for teams to come on mission trips, preparing for camp, and preparing for a wedding. The wedding is for a couple who came to us last year. They saw that they needed to be married, and therefore I started pre-marriage counseling. The man was saved last year and followed the Lord in baptism. The lady was saved during marriage counseling and, as a believer, was baptized. This new couple has been a blessing to disciple! I thank God for the opportunities He gives us to serve. **Reporting to churches:** We had the joy and honor of speaking on missions at 20 meetings in NJ, VA, NC, FL, ND, TX, and AL. God did many wonderful things. Several pastors wrote to me after meetings, sharing how our meeting, ministry, and message helped them and their people. We rejoiced to see souls saved and believers make decisions to become more committed disciples of Christ. In a divine appointment, one preacher visiting a church I spoke at came to me and shared, "I thought that maybe God is done with me, but He brought me here today, and through God's Word preached, He assured me that He is not done with me!" Wow! In the photo above, we had a

special visit from some friends who are very dear to us. George and Lara love our ministry and visit each summer, helping with summer camp and more. They live in Texas and decided to surprise us by showing up at Cornerstone Baptist church in Missouri City, TX. Lara is an Icelander who loves her countrymen and has a heart to reach Iceland. Their visit was a special blessing. **Family:** It will be very hard to say goodbye to our daughter and family as we return to Iceland. It has been wonderful to spend time together and watch our grandbaby grow! Thank you for praying for all that is being done to reach Iceland, and the world through Iceland.
