teenagers. It is an honor and joy to share God's word with our future. Many in our youth and teen church have made decisions for Christ. Thank you for praying for us as we minister to this generation who, for the most part, don't have parents who take them to church. Thank you for praying as we start our new school-year program on September 14th. **English-speaking ministry:** Photo below left: We have seen local visitors, tourists, immigrants, and even US military members on temporary duty assignment visiting our international church services on Sundays. With the uptick in international tensions, we are seeing the old NATO base somewhat active again. Photo below right: **One of our first supporting churches** from 1998, Morningside

Baptist Church in Greenville, SC, brought a group of thirty-eight people to Iceland on a mission trip. In addition to over 70 tasks on the property, they assisted with our community outreach carnival and distributed 1,000 outreach cards to homes. Some enjoyed witnessing, and others simply helped us saturate our ministry area. Bottom left: This is the information card that they distributed. The Gospel in Icelandic video has over 3,100 views as I write this letter. In Iceland, 5000 views means viral status. The

Lord truly inspired the idea of using videos and QR codes. There are three videos in Icelandic and three in English. God has certainly blessed this endeavour. We look forward to expanding this form of spreading the Gospel and sharing information about our church plant with the community in Iceland. family even returned for our community outreach days on June 29th and July 6th. My heart was very blessed as an uncle of one of our faithful teens came for a visit and said, "This will be one of many visits that we make to your church. We enjoyed being here." While serving at FBC, **Nathan Sears** had the joy of leading a refugee to the Lord right before he was deported. **Alex Larson**, missionary to Iceland on deputation, responded to a call for help and dropped everything to come and be a blessing. God for what the Lord is doing in hearts to reach all nations through Iceland! **Summer Ministry and outreach needs:** Please pray with us about expenses that exceeded offerings for this summer's work. As we began working on tasks, some surprises arose along the way. The current amount needed is \$4,000 for the work that has been accomplished. We are also praying that the Lord will provide \$4,600 for the additional two broken doors at church. God provided \$8,000 towards one door, and the remainder was allocated towards various projects. Special thanks to a faithful supporter who gave sacrificially! Also, thank you for praying for the establishment of a Christian School and for the Bible translation project!
